

AGORACOM LAUNCHES “THE AGORACOM 100” IN 2009

As a Small-Cap CEO looking for a cost-effective IR solution to meet your budget in 2009, you'll be happy to know that AGORACOM has once again pioneered Investor Relations by launching **The “AGORACOM 100” IR Program.**

AGORACOM 100 is a collection of 100 – and only 100 – of North America's best small-cap companies in one marketplace. This exclusive group of just 100 small-cap companies will be marketed nationwide to small-cap investors in search of strong but oversold small-cap companies. With almost 10,000 small-cap stocks on the various exchanges, **The AGORACOM 100 will be the starting point for all small-cap investor research in 2009.**

“Meet the AGORACOM 100” Marketing Campaign ... Why Be In It?

In January 2009, AGORACOM is launching a North American TV, Web and Search Engine Marketing Campaign To Drive Small-Cap Investors To The AGORACOM 100 Marketplace, an elite and exclusive group of great small-cap companies.

This powerful marketing campaign includes:
